

SOLAR POWERED MOBILE TOILET UNIT

Introducing Rego Hire's solar powered mobile toilet unit more commonly referred to us as Eco Loo.

The Eco Loo is now available to hire nationwide.

Some key features include;

- Mobile toilet facilities;
- Spacious double toilet cubicles;
- Fresh water flushing toilet;
- Operates independently - no mains connection required;
- Eco friendly - solar powered, low flush, sensed taps & rainwater harvesting.

The Eco Loo has built in water and waste tanks. The tanks have capacity to enable the unit to operate for two weeks before servicing is required. The results are based on 20 people working a 40 hour week. Servicing is provided by Rego Hire and includes emptying the waste tank, refilling the water tanks and refilling of consumables.

Solar powered

- Power is drawn from sunlight via solar panels.

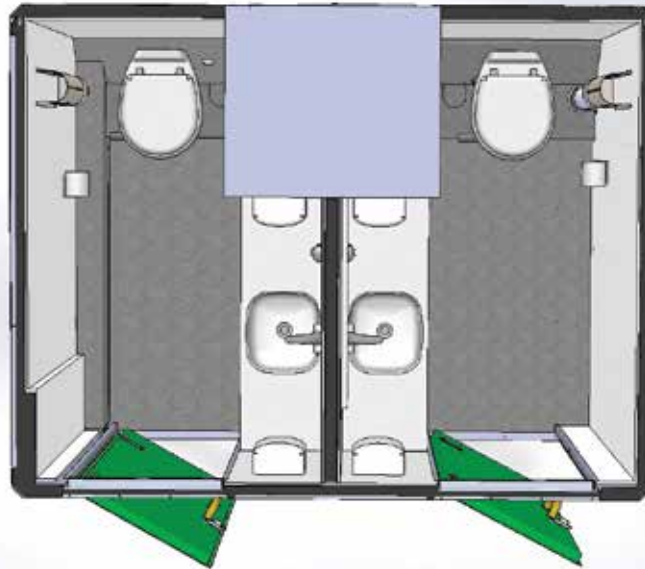

Double toilet

- Spacious double toilet cubicle.
- Fully stocked with consumables, ie; soap, hand towels & toilet rolls.

Hand towel, soap dispenser & mirror

Fresh water flushing toilet

- Fresh water toilet with low flush.
- Foot operated flush.

Toilet roll holders

Hot running water

- Wrist to elbow sink.
- Sensor taps.
