

7-PERSON MOBILE WELFARE UNIT

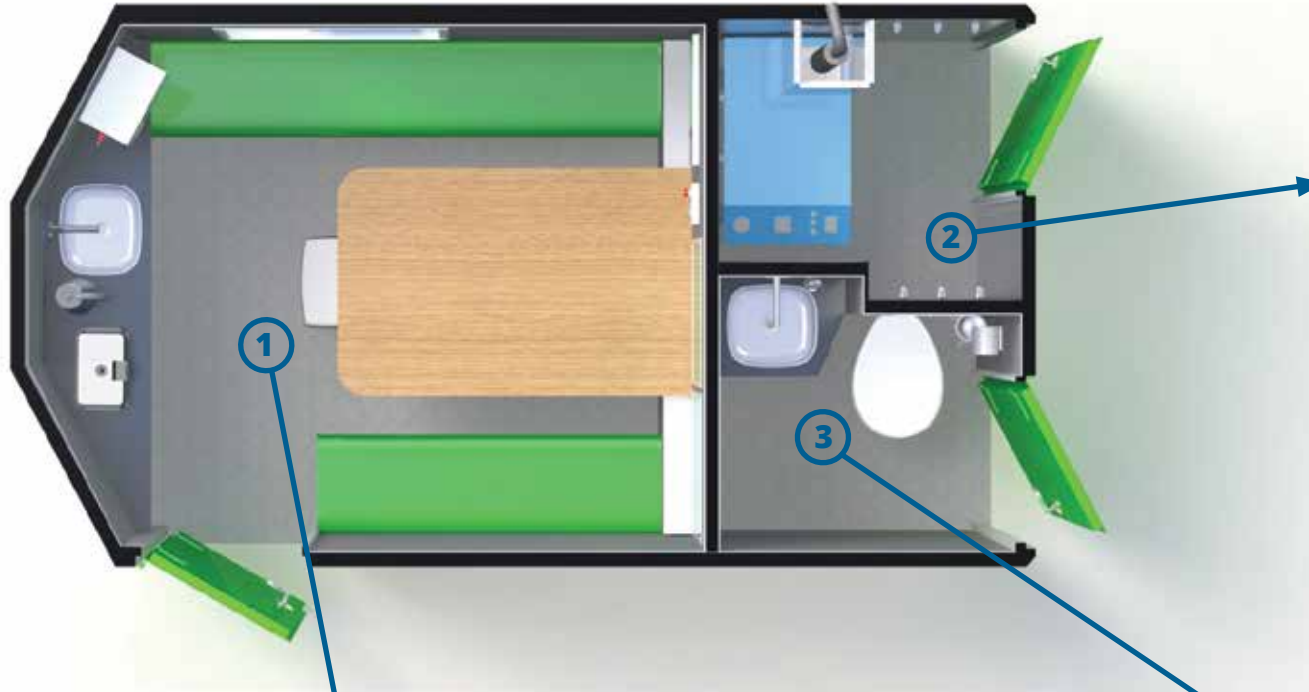

Rego Hire's Eco Welfare Pod has been designed to provide the highest levels of safety, security, strength and comfort in the most remote and exposed locations. The Eco Welfare Pod can accommodate up to 7 people and is available to hire nationwide.

Some key features include;

- Spacious canteen facilities equipped with fridge, grill, microwave & kettle;
- Fresh water flushing toilet facilities;
- drying room.

The Eco Welfare Pod has its own built in water and waste tanks. These tanks have capacity to enable the unit to operate for one week before servicing is required (results are based on 7 people with normal usage). This service (water tank refilled and waste tank emptied) can be provided by Rego Hire.
